The Garden

Romance, natural beauty and seclusion on 2.5 acres, our private garden provides a stunning backdrop for outdoor wedding ceremonies and photographs.

You and your guests will be delighted by our amazing garden experience, which includes a cascading waterfall and pond, wisteria arbour, various water features, Tuscan garden and rustic sculptures.

Our garden is truly a wedding photographer's dream with colourful blooms, established trees, manicured lawns and various historic farm implements dotted throughout the garden, ensuring your wedding photographs are spectacular and unique.

The Cottage

Nestled in the serene gardens stands a self-contained, replica stone cottage, the perfect place to spend your wedding night.

Our unique cottage is fully equipped and built using recycled materials dating back to the 1850s, containing all of the modern comforts without losing its cottage charm.

The Cottage includes a fully appointed kitchen, lounge/dining and bedroom, separate bathroom and a choice of verandas on which you can sit and enjoy the tranquil garden surrounds.

Guests staying at our cottage will be greeted by a complimentary bottle of Riverland wine and local gourmet tasting platter including Riverland produce, cheese, dried fruits and cured meats. A generous selection of locally sourced gourmet breakfast provisions are also included.

Suggestions for your day

At Riverline Cottage and Gardens, we are passionate about facilitating unique and unforgettable garden weddings.

We offer the following information which may help to enhance your wedding ceremony and/or photographs.

Punctuality

We understand that it can be difficult to keep to a schedule on your special day. However, please keep in mind that your celebrant may have another wedding to perform, or we may have other photos booked in the garden.

When booking, we ask guests to specify the amount of time they will require the garden.

Music

Music is an important element in any wedding. At Riverline Cottage and Gardens, we would be delighted to assist by playing music if desired when your guests are arriving, when you are signing the official papers and after the ceremony.

Simply provide us with your preferred music.

Seating

We are able to provide seating for around 30 guests during your ceremony. There are also seats located throughout the garden.

Inclement weather

No matter how meticulously planned, every outdoor wedding ceremony is at the mercy of the weather. However, in case of very hot or rainy days, we can relocate to an undercover area.

Celebrant

Your celebrant will usually arrive 15 minutes before the ceremony to ensure everything is in place. We are happy to assist them in any way we can.

Supervision of children

While it might be easy on the eyes, our garden contains an extensive variety of water features and plants with thorns. To avoid any accidents, we ask that any children attending the ceremony be adequately supervised.

Rehearsals

If you feel a rehearsal is necessary before your special day, we invite you to make a booking. However, a fee of \$50 will apply.

Signing of official papers

We are happy to provide our happy couples with a gorgeous wrought iron table and chairs for the signing of the papers.

Confetti

Following your ceremony, guests are welcome to celebrate by throwing rose petals. However, confetti and rice are not permitted.

Wheelchair friendly

Our facility provides access for guests who require a wheelchair. In addition, an outside toilet is accessible for your guests' convenience and is wheelchair friendly.

Drinks

Riverline Cottage and Gardens are pleased to provide iced water for your guests. You are welcome to provide any additional drinks. A wine tub and ice buckets are available for use on request.
