GARDEN HIRE

Welcome

Welcome to Riverline Cottage and Gardens.

Romance, natural beauty and seclusion on 2.5 acres, our private garden provides a stunning backdrop for any outdoor event.

You and your guests will be delighted by our amazing garden experience, which includes a cascading waterfall and pond, wisteria arbour, various water features, Tuscan garden and rustic sculptures.

The garden provides a secure and intimate space for your next function or family celebration and the cottage with it's fully appointed kitchen is ideal for catering purposes.

We are delighted to share our garden with you to create special memories.

Raelene & Chris

The Garden

Once the former Loxton Drive-in site, the extensive garden is now an oasis of roses, natives, trees and water features.

Our love of old farm implements and memorabilia is evident throughout the garden, along with many trees and plants that have been lovingly transplanted to this site and saved from demolition.

The garden is now open to the public as part of the Renmark Rose Festival and in the future we hope to be part of the South Australian open gardens scheme which will include a number of open days throughout the year.

A reproduction stone cottage was completed in 2015 which is available to hire for accommodation or to utilise when the garden is booked for a function.
